RocksEm @RocksEm · 18 Nov 2014

@SusanPolgar I think Magnus was hoping for an easy draw in 8 with long game 7. I think Vishy will change it up today & get an easy win.

RocksEm @RocksEm · 18 Nov 2014

Replying to @chessdom

@chessdom I predict an easy win for Vishy. Magnus dragged out 7 to get a conventional game & easy draw today. Vishy will throw him a curve.

RocksEm @RocksEm · 18 Nov 2014

RocksEm @RocksEm · 18 Nov 2014

#CarlsenAnand I think Magnus is looking for a standard game and easy draw today after that marathon. It could be a miscalculation.

@RBPundit The "problem" is it's clear whoever contacted the FBI originally was asking about the Saudi in the Hospital.

1

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit Yes, he talked to DHS who told him the FBI had been contacted.

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit The clear implication here is that the FBI was contacted by someone and that is where the rumor spread from.

1

RocksEm @RocksEm · 18 Apr 2013

@RBPundit Tapper asked about neither. He is reporting the same thing as here: tinyurl.com/bu7363j

2

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit Tapper does not mean himself when he says "The FBI was contacted..." Unles you think he's the one who started the rumor.

2

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit According to me and all the reports. Why would someone ask about a guy no one was even aware of before this story?

1

RocksEm @RocksEm · 18 Apr 2013

from:RocksEm until:2015-01-01

@RBPundit I understand that. I'm not confused. It's Tapper's but it comes from the DHS. It's not accurate.

1

RocksEm @RocksEm · 18 Apr 2013

Replying to @jaketapper

@jaketapper The last paragraph isn't really accurate is it? Wasn't the FBI contacted about the Saudi in hospital who was at the marathon?

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit Read the last paragraph there. It's flat out false. The FBI was contacted about the kid injured at the marathon weren't they?

2

RocksEm @RocksEm · 18 Apr 2013

@RBPundit Even if they do. Why not just stick with what Napolitano said? Why do they need they think they to to provide another?

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit Sure, so why not just say that? What's the need to show that someone else is being deported?

1

RocksEm @RocksEm · 18 Apr 2013

Replying to @RBPundit

@RBPundit Obviously, but that isn't the point. Someone told a reporter THAT guy was being deported. Another guy never came up.
